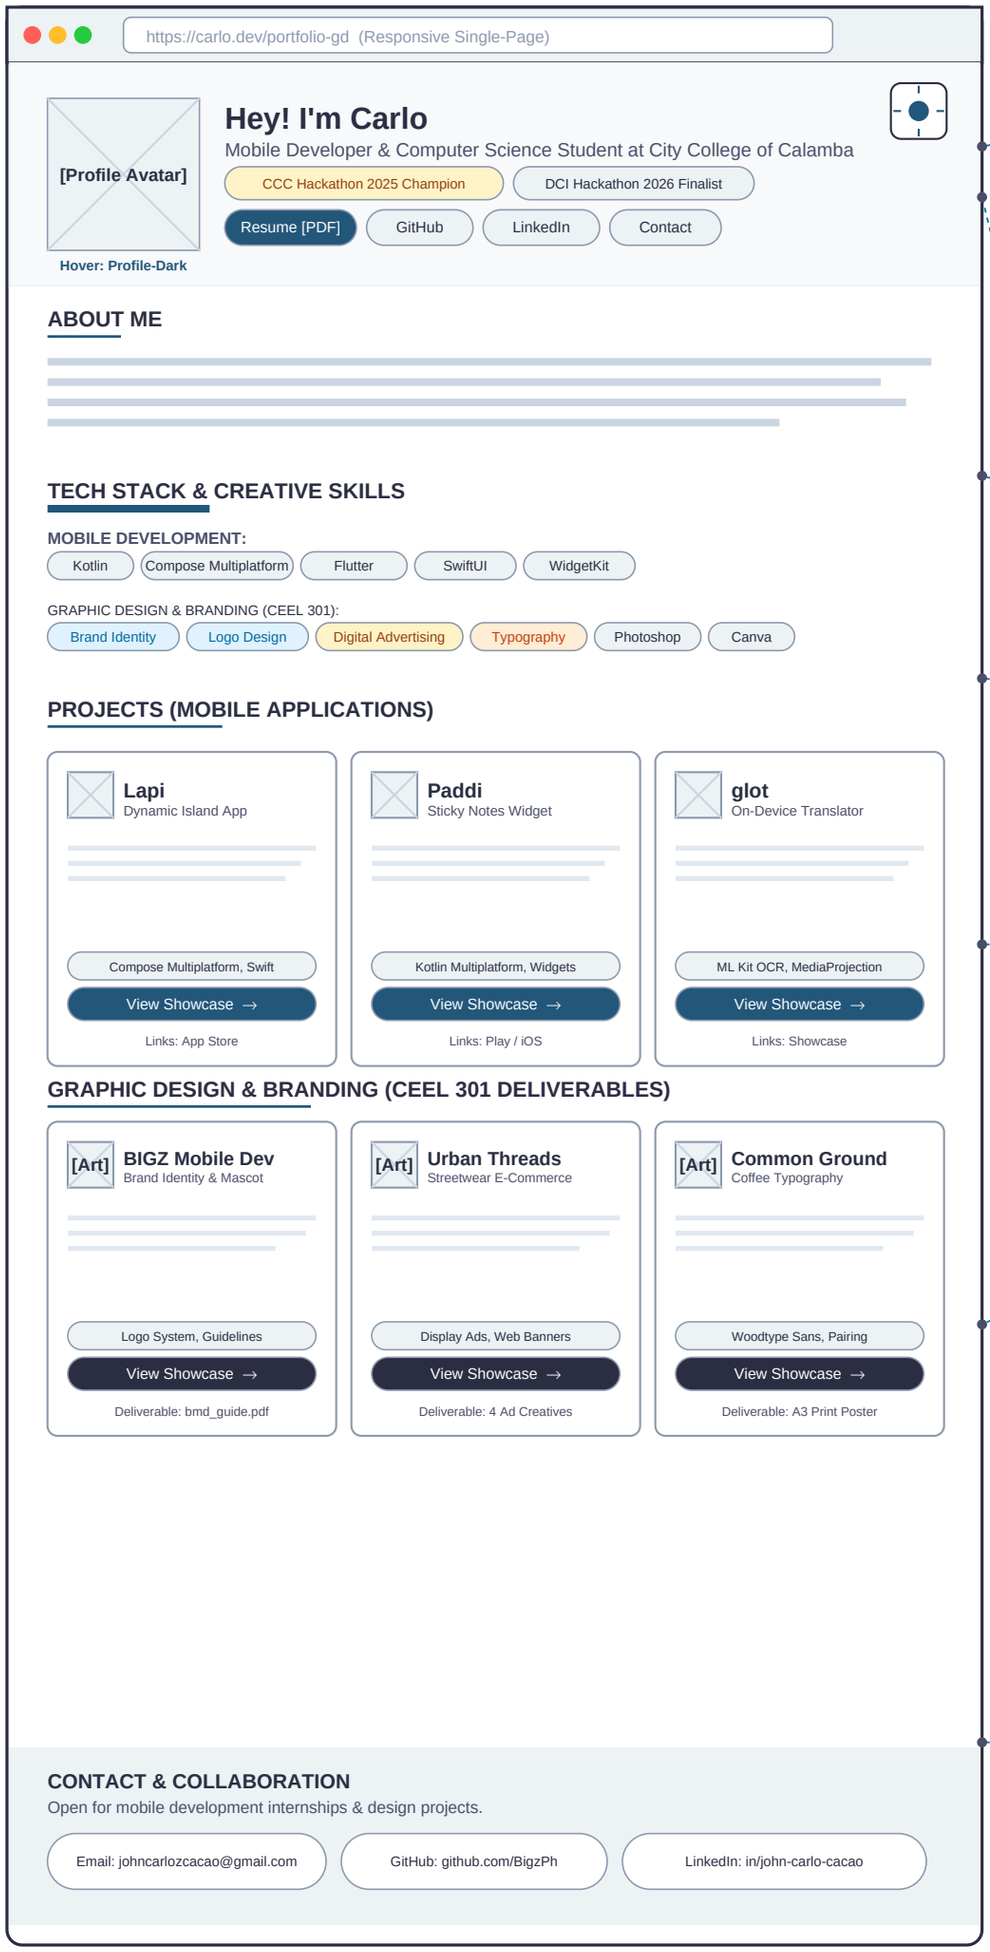
PORTFOLIO MAIN PAGE WIREFRAME & COMPONENT ARCHITECTURE

Low-Fidelity Architecture, Annotations & Layout Hierarchy



WIREFRAME ANNOTATIONS

Design rationale & functional specs

1 Header & Dual Avatar
- Circular avatar with theme-aware hover state (profile & dark mode).
- Hackathon champion credentials.
- Primary CTA: Resume PDF download and social profile anchor links.

2 Theme & Accessibility
- Fixed contrast toggle (sun/moon).
- CSS custom variables for seamless Light / Dark mode adaptation.
- WCAG AA contrast compliance and keyboard navigation (ESC/Tab).

3 About Narrative
- Concise personal bio & aspirations.
- Grounded in CCC Computer Science.
- Responsive text container with calibrated leading for readability across mobile and desktop.

4 Categorized Tech Stack
- Skill pills categorized by domain: Mobile, Frontend & Graphic Design.
- Prominently highlights CEEL 301 skills: Brand Identity, Typography, Advertising Design, and Photoshop.

5 Mobile Projects Grid
- 3-column desktop layout that collapses to single-column on mobile viewports.
- Standardized card hierarchy: Logo -> Title -> Tagline -> Tech Pills.
- Primary action: 'View Showcase' button triggering interactive modal overlay.

6 Graphic Design Showcase
- CEEL 301 Specific Projects:
  1. BIGZ Mobile Dev (Brand Identity)
  2. Urban Threads (Streetwear Ads)
  3. Common Ground (Coffee Typography)
- Directly links to official PDF manuals and multi-channel asset viewers.
- Unified visual weight with mobile cards.
- Displays deliverables for Midterm/Prelim.

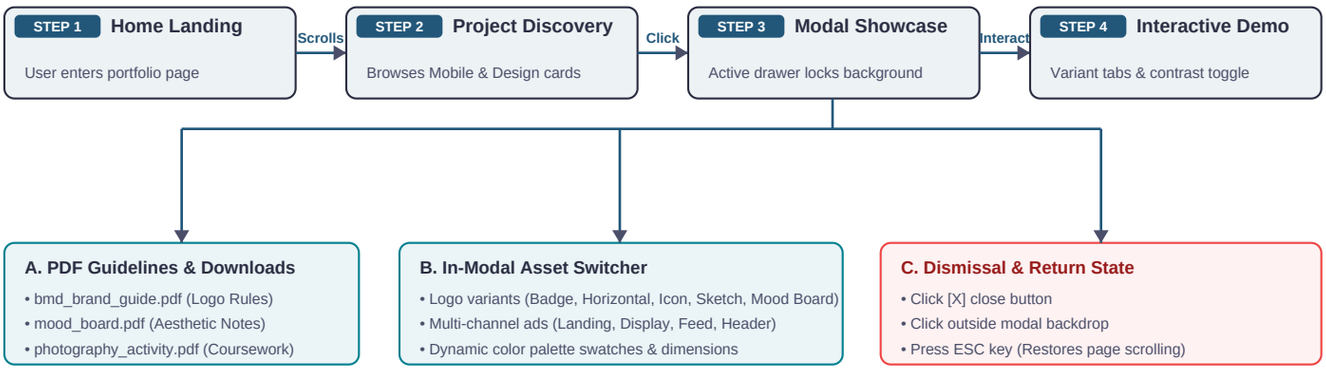
7 Contact & Conversion
- High-visibility contact cards.
- Direct mailto and professional profile anchors.
- Minimal friction for recruiters and instructors to evaluate works.
- Clean mobile-first spacing ensuring no tap target overlap.

INNER PAGE & MODAL WIREFRAME ARCHITECTURE

Interactive Simulator & Flow

A. USER NAVIGATION FLOW DIAGRAM (PAGE-TO-MODAL FLOW)

Step-by-step navigation map illustrating how users explore projects, trigger modal overlays, and interact with design assets.



Backdrop Overlay: rgba(0,0,0,0.4) with backdrop-filter: blur(8px) [Clicking backdrop dismisses modal]

BIGZ Mobile Development / Common Ground / Urban Threads

Brand Identity & Mascot Design System | Detailed Case Study & Interactive Canvas
